Stay & Play Program Information

The Stay & Play program is an opportunity for your child to spend a fun-filled morning or afternoon at Sunny Hill. Children can extend their day on a day they regularly attend Sunny Hill or they may attend for a half day on a day they do not regularly attend Sunny Hill. In the Stay & Play program children play in a mixed-age group setting in a classroom located on the lower level of the school. The program includes a variety of educationally based play and teacher-supported activities each day. Teachers are highly qualified and capably ensure that learning continues and fun occurs during this special Sunny Hill program. Children bring their lunch and are offered a quiet "rest time". Children choose quiet activities during "rest time." Mats are available should children wish to fully rest. All lunches must follow our nut-free, peanut butter-free allergy policy. Tooth brushing is now a state licensing requirement. Children participating in this program must bring a toothbrush and brush their teeth following lunch.
